LOCAL PROGRAM MANDATE

Adjusted Education Code Section 66749.8 to include:

- An Associate Degree for Transfer (ADT) exists for their declared major
- Must place that student on that ADT pathway in the student education plan (**SEP**)

Exceptions:

- An ADT pathway **does not exist** in the chosen major at the college.
- The student's educational pathway is better served by a **local associate degree**.
- The student plans to apply to **transfer to a UC campus or an independent college or university**.
- The student is seeking to complete a **community college baccalaureate degree** program.
- The student is seeking to complete a **career technical education program that does not have an ADT**

pathway.

Implementation Timing

- **Newly enrolled students**
 - Beginning with late Summer and Fall 2024 new students
 - Establish a protocol to mark the SEP and identify opt-out exceptions
